Constitution and Regulations 2011/2012 of the International Masters' Speed Skating Committee (IMSSC)

**(According to the decisions of the 34th Session of the IMSSC
in Amsterdam/NED on 28 May 2011)**

Alterations (decisions at the IMSSC Session) as against the last text from 2010 are underlined.

Part I: Constitution

Article 1: Objectives

The objectives of the International Masters' Speed Skating Committee (IMSSC), founded in 1994, are to promote and encourage the development of Masters' Speed Skating in all possible manifestations throughout the world, especially by promoting Masters' International Speed Skating Championships and other Masters' International Speed Skating Competitions, especially in 5 year age groups, and by promoting the development of uniform rules and regulations for Masters' Speed Skating Competitions in cooperation with the International Skating Union (ISU) and the National Speed Skating Associations.

Article 2: Appointment and Status of IMSSC Members

Members of the IMSSC are appointed by the IMSSC at the yearly Session for a term of four successive years. Every nation can only have one member in the IMSSC. All members of the IMSSC have equal rights and one vote. Voting about persons has to be done by secret ballot. The voting procedure about other matters can be decided at the session. A new Member from a new Country cannot start voting until the next session following the appointment. Every member of the IMSSC may have an assistant taking part in the Session of the IMSSC.

IMSSC Members are expected to be active participants within an IMSSC Committee. If a Member misses 2 years worth of meetings in a row, and provides no satisfactory explanation, then a majority vote may be called at the beginning of next meeting, and the seat may be declared "open". Replacements may be considered immediately. The replacement may vote immediately upon appointment, and does not need the 1 year period that new nations require before voting.

Article 3: Sessions and Decisions of the IMSSC

The IMSSC holds one Session a year in May or June. If a Member of the IMSSC cannot take part at an IMSSC Session, the Member can send a deputy who has the right to vote for the IMSSC Member, but only if the IMSSC Office is informed by the IMSSC Member by written word in a letter, a fax or an email until one week before the session (arrival at the IMSSC Office).

Decisions by vote about alterations of the IMSSC Constitution and Regulations and about other important matters can only be made at the Session in May or June. Such decisions can only be based on proposals that have to be made by written word in a letter, a fax or an email from the date of the written invitation until 6 weeks before the Session in May or June (arrival at the IMSSC Office). Earlier and later proposals will not be considered by the IMSSC. Late proposals of great importance may be considered, but only if a 2/3 majority of votes accepts this. Decisions on the Constitution and Regulations get validity from the following July 1st.

At the opening of *the* Session a secretary to write the Minutes must be appointed. Within two months after the session the secretary must present a draft of the Minutes to the participants for review and possible corrections. The Minutes must be returned with corrections (in red) within 2 weeks to the secretary of the Minutes; he decides about the acceptance of these proposed corrections. The final Minutes must be distributed by the IMSSC Office to all IMSSC Members and relevant ISU officials within 3 months after the session.

Part of the Annual IMSSC Income shall be used to cover travelling expenses for the IMSSC Members to the Session and back. The amount is decided by the IMSSC at the Session. If the decided amount is not sufficient to cover all travelling expenses, the travelling expenses of each IMSSC Member who participated, will be reimbursed partially at the same percentage. IMSSC Members who get their travelling expenses covered by the IMSSG (ISU Masters' Speed Skating Working Group), will not be affected by this regulation.

Article 4: Use of Emblems and Graphics of the IMSSC and the "ICEOVAL"

Use of Emblems and Graphics of the IMSSC and the International Masters' Speed Skating News "ICEOVAL" on National Masters' Websites:

It is not allowed to use the names "International Masters Speed Skating Committee", "IMSSC", "International Masters Speed Skating News", "ICEOVAL" and the Emblems and Graphics of the IMSSC and the ICEOVAL at outstanding places at National Masters' Websites. Especially at the first page of a National Masters' Webpage it has to be clear that it is not the Webpage of the International Masters' Speed Skating Committee or the International Masters' Speed Skating News but a National Masters' Webpage.

Article 5: Delegation of Tasks by the IMSSC

Delegation of tasks by the IMSSC to members of the IMSSC or to other co-workers (necessary short-term delegation of tasks may be made by the IMSSC Office):

PART II: Regulations

Introduction

Masters' International Speed Skating Competitions have been organized since 1991 in several countries (CAN, FIN, GER, ITA, NED, NOR, SUI, USA) generally by speed skating clubs and since 1994 promoted by the International Masters' Speed Skating Committee (IMSSC). The outstanding annual events are the Masters' International Sprint Games and the Masters' International Allround Games, the unofficial Masters' World Sprint Championships and the unofficial Masters' World Allround Championships. Determination of the host countries is through planning and voting of the IMSSC Members.

A List of International Masters' Speed Skating Competitions, approved by the IMSSC, will be issued every year at the beginning October on the Official Website of the IMSSC www.imssc.org and in the hard copy edition of the Masters' International Speed Skating News "ICEOVAL".

Generally the Masters' International Speed Skating Competitions are held under the Rules of the International Skating Union (ISU). Since there are no special rules for Masters in the ISU Rules and the existing rules are not always applicable, here shall be issued additional rules for

Masters' International Speed Skating Competitions. These rules have been implemented for more than ten years of Masters International Competitions. The establishment of uniform rules throughout the global Masters' community has become a pressing obligation. Current practice has been evolving in competitions promoted by the IMSSC.

It is the intention of the IMSSC that these Rules will be incorporated into the ISU Rules, for example as ISU Rule 277 of the Special Regulations Speed Skating.

Rule 1: Priority of IMSSC Rules

IMSSC Rules have priority to ISU Rules in International Master Competitions, if they are conflicting.

Rule 2: Masters Definition

Masters are non-professional speedskaters (members of National teams and National selections excluded) from 30 years, the age being defined as age reached during the competition year 1st July till 30th June, competing in 5year age groups 30-34 (30), 35-39 (35), 40-44 (40), 45-49 (45), 50-54 (50), 55-59 (55), 60-64 (60), 65-69 (65), 70-74 (70), 75-79 (75), 75-79 (75), 80-84 (80), 85-89 (85), 90-94 (90) and higher (as high as necessary).

Rule 3: Competitions

3.1 Masters' International Games and other Masters' International Speed Competitions

3.1.1 Masters' International Allround Games

The Masters' International Allround Games shall be held every year with rotating country and location. They may be organized by a club or a National Speed Skating Association.

The distances for the Masters' International Allround Games are:

Ladies 500 m, 1500 m, 1000 m, 3000 m (age groups 30 – 65)
 Ladies 500 m, 1000 m, 1500 m (age groups 70 and higher)
 Men 500 m, 3000 m, 1500 m, 5000 m (age groups 30 – 60)
 Men 500 m, 1500 m, 1000 m, 3000 m (age groups 65 and higher)

Distances may be run according to 7 optional programs in a similar way to what is specified in ISU Rule 201. Each Age Group is considered a separate championship, which means that it is not needed to run all Age Groups in a category (e.g. men 30-60) according to the same program. The organizer needs acceptance of the IMSSC for the selected programs.

Two-day competitions

Program:	A	B	C
Age Groups:	Men 30-60	Ladies 30-65 Men 65+	Ladies 70+
First day:	1. 500m 2. 3000m	1. 500m 2. 1500m	1. 500m 2. 1000m
Second day:	3. 1500m 4. 5000m	3. 1000m 4. 3000m	3. 1500m

Three-day competitions

Program:	D	E	F	G
Age Groups:	Men 30-60	Ladies 30-65 Men 65+	Men 30-60	Ladies 30-65 Men 65+

Third day	4. 5000m	4. 3000m	4. 5000m	4. 3000m

<u>Program:</u>	<u>H</u>	<u>K</u>
<u>Age Groups:</u>	<u>Men 30-60</u>	<u>Ladies 30-65</u> <u>Men 65+</u>
<u>First day</u>	<u>1. 500m</u>	<u>1. 500m</u>
<u>Second day</u>	<u>2. 3000m</u>	<u>2. 1500m</u>
<u>Third day</u>	<u>3. 1500m</u> <u>4. 5000m</u>	<u>3. 1000m</u> <u>4. 3000m</u>

3.1.2 Masters’ International Sprint Games

The Masters’ International Sprint Games shall be held every year with rotating country and location. They may be organized by a club or a national Speed Skating Association.

The distances for these Masters’ International Sprint Games are:

Ladies and Men: 500 m, 1000 m (first day)
 500 m, 1000 m (second day)

3.1.3 Masters’ International Competitions

Masters’ International Competitions will be held in different countries. They may be organized by a club or a National Speed Skating Association.

3.2 Entry

The official entry form of the competition is sent by fax, mail, email or through a designated website to the organizer or the National IMSSC Member (as specified in the announcement) by the competitor or through representation of the club/association the skater belongs to. Every competing skater must be licensed in his/her own country.

Countries which enter to the Masters’ Allround Games or Sprint Games on the national level have not to accept entries before the announcement of the Games has been issued in the International Masters’ Speed Skating News “ICEOVAL” and in the IMSSC or IMSSG Webpage. If they accept entries electronically over their National Website they have to mark the electronically entry form that it is only valid for National participants.

3.3 Restriction of Participants

If the number of participants in a competition must be restricted, certain decisions will be made to handle selection process. Entries received earlier shall have priority of the participation. If quota are needed for Nations as determined by the IMSSC or the hosting country, each nation is to follow in principle to these practices, if not regulated in another manner by the respective National IMSSC Member, for example by limit times, best times, etc. and perhaps partially by wild cards (for example for participants disabled or for long standing participants).

3.4 Confirmation of Participation

A confirmation of participation may be organized as follows if written in the announcement of the competition: If an announced skater is not present at the drawing, he will be removed from

the list of participants if he did not confirm participation to the organizer 36 hours to 12 hours before the drawing (arrival of the confirmation at the organizer) by written word (Telefax or Email or Telegram). The address for the confirmation is indicated in the official announcement.

3.5 Drawing and Ranking

Drawing at International Masters' Speed Skating Competitions, including Masters' International Allround Games and Masters' International Sprint Games, must be done according to ISU Rule 244 for Drawing at International Competitions and according to ISU Rule 242, paragraphs 3 and 2, for Drawing at International Sprint Competitions, with the exception that at Masters' International Sprint Competitions including Masters International Sprint Games all competitors will be admitted at the last distance.

If there are more than 100 participants at Masters' International Sprint Competitions, including Masters' International Sprint Games, the 5year age groups shall be divided into 2 or more groups of 5year age groups. Every of these groups of 5year age groups shall skate their two distances separate, so that the time between the two distances does not get too long.

Generally the age groups are drawn separately. If the number of competitors is very small in one or several of the five year age groups, neighbored 5year age groups may be joined together for drawing and speedskating. However final classification must be done separately in 5year age groups independant of the number of participants in an age group.

If the time schedule requires limitation of participants in the last distance of an Allround Competition, joined five year age groups have to be separated before the limitation of participants. The limitation has to be done for every five year age group separately, according to IMSSC Rule 3.7 . Afterwards five year age groups can again be joined for the last distance as described above.

To recognize in the competition protocol the ranking of every 5year age group in joined 5year age groups also before the final classification, the name of the competitor in joined 5year age groups has to be supplemented by the age group, for instance "Otto Meier 55".

3.6 Seeding at Masters' Allround Games, Masters' Sprint Games and Masters' Single Distance Races

On the first two distances of the Masters' International Allround Games and the Masters' International Sprint Games the skaters shall be seeded in three groups before drawing, according to their best times of the season, their best times of the last season or their estimated times as specified in the announcement. The seeding occurs per Age Group or per joined Age Groups.

At Masters' Single Distance Races seeding of skaters is allowed according to their best times of the season, their best times of the last season or their estimated times. Generally the five year age groups are seeded individually. For practical reasons, such as creating equal pairs/quartets and saving time, several age groups may be joined together for seeding, drawing and speed skating. However final classification must be done separately in 5 year age groups independant of the number of participants in a 5 year age group.

3.7 Participants in the Last Distance

If the time schedule requires limitation of participants in the last distance of an Allround Competition, a minimum number of skaters of every five year age group must be allowed to skate according to the following rule: In the last distance 4 skaters of every five year age group are always allowed to skate. If there are more than 4 skaters in the five year age group, the rest of the skaters are divided by 2, and all full pairs are allowed to skate in addition to the basic 4. This will give the following number of skaters:

Number of skaters	Skaters on last distance
1 – 3	1 – 3
4 – 7	4
<u>8 – 15</u>	<u>8</u>
<u>16 – 23</u>	<u>12</u>
<u>24 – 31</u>	<u>16</u>
etc.	

The “Number of skaters” refers to the number of skaters on the final Start List of the first distance for that Age Group.

At a Sprint Competition all skaters being accepted for the competition must be allowed to skate also the last distance.

3.8 Lap Counters at International Masters' Competitions

At International Masters' Competitions with quartet start in minimum two experienced and well trained lap scorers are mandatory and the counter signs shall be available in four colours (white, red, yellow and blue).

3.9 Recommendation for Overtaking

Overtaking takes place very often in races with quartet start. The competitor is recommended to overtake another competitor in the speed skating competition only on the outside if both are in the same track. That minimizes the danger of accidents. There is no ISU Rule that a skater who will be overtaken in a track has to go to the outside of the track.

3.10 IMSSC Fee

At Masters' International Games and Masters' International Competitions, promoted by the IMSSC, the competitor has to pay the IMSSC fee for the work of the IMSSC besides the starting fee. The amount of the fee will be decided by the IMSSC.

Rule 4: International Masters' Records (IMSSC Records)

4.1 Age groups

IMSSC Records are listed by the IMSSC for the age groups defined in Rule 1.

4.2 Single Distances and Allround Competitions

IMSSC Records will be registered by the IMSSC for the following single distances (times) and three and four distance competitions (points).

Single distances: 500 m, 1000 m, 1500 m, 3000 m, 5000 m, 10000 m (Ladies)
 500 m, 1000 m, 1500 m, 3000 m, 5000 m, 10000 m (Men)

Three and four distances competitions (total of points):

Ladies Allround Small	500 m, 1000 m, 1500 m
Ladies Allround	500 m, 1500 m, 1000 m, 3000 m
Ladies Sprint	500 m, 1000 m, 500 m, 1000 m
Men Allround Big	500 m, 5000 m, 1500 m, 10000 m
Men Allround Small	500 m, 1500 m, 1000 m, 3000 m
Men Allround	500 m, 3000 m, 1500 m, 5000 m
Men Sprint	500 m, 1000 m, 500 m, 1000 m

4.3 Applications

IMSSC Records (International Masters' Records) are recognized only for times and points reached in International Masters' Competitions approved by the IMSSC at the preceding Session in May or June, which fulfil the requirements of the IMSSC Rules and ISU Rules, and for National Masters Championships, which fulfil also the requirements of the IMSSC Rules and ISU Rules. Applications for IMSSC Records must be made by the IMSSC Member of the Country, where the Competition has taken place, or by the Organizer of this Competition by sending one set of the necessary documents to the IMSSC Statistician (Sven-Åge Svensson, Simensbraatveien 23 B, N-1182 Oslo, NORWAY) and one further set of the necessary documents to the Mailing Address of the IMSSC (IMSSC, Dr. Volker Serini, Sebastian-Kneipp-Weg 2, D-47802 Krefeld, GERMANY). If the documents are not written in English, the text in these documents additionally has to be translated into English by the applicant.

One set of the necessary documents comprises the following documents: Official Announcement (if not issued in the IMSS-News), Official Competition Program (timetable), Official Protocol of the Competition, and birthdates of the competitors who have lowered IMSSC Records.

If there is no IMSSC Member or Organizer of the Competition who makes an IMSSC Record Application, the competitor who has lowered an IMSSC Record may make an application for an IMSSC Record also by himself. The competitor must send one set of the following documents to the IMSSC Statistician (Sven-Åge Svensson, Simensbraatveien 23 B, N-1182

Oslo, NORWAY) and one further set of the following documents to the Mailing Address of the IMSSC (IMSSC, Dr. Volker Serini, Sebastian-Kneipp-Weg 2, D-47802 Krefeld, GERMANY): Official announcement (if not issued in the IMSS-News), Official Competition Program (timetable), Official Protocol of the results and a filled in Official IMSSC Record Application Form.

Applications of IMSSC Records are possible for competitions in the competition year (1 July - 30 Juni of the next year). Latest application date for IMSSC Records of every competition is 6 weeks after the competition date (arrival of the application at the IMSSC).

The official protocol must contain:

- a) the starting list for each distance;
(ISU Rule 273 § 1 a)
- b) the times of automatic timekeeping, recorded in hundredth of a second;
(ISU Rule 273 § 1 b)
- c) the times of manual timekeeping:
 - accumulated lap times in tenth of a second (see ISU Rule 252)
 - final times in hundredth of a second (see ISU Rule 250, § 5 and § 6).

4.4 Provisions

4.4.1

Result reached at a national or international announced competition with 5 year age groups from 30 years (see above Rule 1) by a speed skater with a competition license of his national speed skating association, being member of the International Skating Union (ISU). If other speed skaters start in a speed skating event besides one or several age groups of Master Speed Skaters from 30 years, each Master Speed Skater must be clearly marked with Age Group in the starting lists, results and standings during the competition and in the final results.

4.4.2

Result better than in the IMSSC Records List of the last season as published in the internet under www.imssc.org, and additionally in the International Masters' Speed Skating News ICEOVAL which is issued by the IMSSC in October as paperback. If there is no previous record registered, the first who achieves a result may apply for a record.

4.4.3

IMSSC Records over all distances may be recognized also for times achieved in quartet starts (see ISU Rule 221 § 1 c and f).

4.4.4

Distances to be skated and starting times must be in accordance with the announcement (see ISU Rule 221, § 2 b).

4.4.5

The track must be a Standard Speed Skating Track of 400 meters as per conditions given in ISU Rule 228 (see ISU Rule 221 § 4 a).

4.4.6

The conditions of ISU Rules 228 (track), 248 (watches), 250 (manual time keeping) and 251 (automatic time keeping) must be observed. Automatic timekeeping must have been used (see ISU Rule 221 § 4 b).

4.4.7

In races over several laps, the time must be taken and recorded for each lap. The accumulated lap times (split times) shall be recorded with the accuracy of a hundredth of a second, and the individual lap times shall be calculated and recorded in the protocol with the same level of accuracy (ISU Rule 252).

4.4.8

IMSSC Records in total of points for 3 and 4 Distance Combinations may be recognized from Allround and Single Distance Competitions if the distances have been skated in the right order and at consecutive days according to the IMSSC Rule 3.1.1.

IMSSC Records for 3 and 4 Distances Competitions (in points) at Masters' Single Distance Competitions will be recognized if the distances have been skated in the right order and at consecutive days according to the IMSSC Rule 3.1.1.

4.4.9

IMSSC Records for the Sprint combination over four distances can only be recognized if the competition is over two days, with each individual distance skated only once each day and changed starting lanes (see ISU Rule 242) on the second day (see ISU Rule 221 § 4 d).

4.4.10

If the existing IMSSC Record is broken more than once on the same day in competitions at the same venue, only the best time obtained shall be recognized as a new IMSSC Record. However, when the final classification for the 500 meters is decided based on the total time in two races, each 500 meters race is to be considered as a separate competition (see ISU Rule 221 § 5).

4.4.11

Any competitor who equals an existing IMSSC Record shall have his name entered in the IMSSC Records' List (see ISU Rule 221 § 6).

4.4.12

For each IMSSC Record obtained, or the equaling of any IMSSC Record, the IMSSC shall issue a diploma to the skater (see ISU Rule 221 § 7).

4.5 Decision about IMSSC Records, Issue of the IMSSC Records' List

New IMSSC Records from last season are approved by the IMSSC at the Session, and the updated IMSSC Record List is published yearly in the Internet at www.imssc.org, and additionally in the International Masters' Speed Skating News ICEOVAL which is issued by the IMSSC in October as paperback.

Rule 5: Alterations and Supplements

Alterations and Supplements of the IMSSC Constitution and Regulations will be made by the decisions of the IMSSC.
